Overview

This MoU between Universal Group of Institutions and **Phoenix Udyog Pvt Ltd** will offer an opportunity for the students of B.Tech and Polytechnic to connect with the industry to explore themselves, how to fuel their career growth.

The MoU brings together the Industry to present an opportunity to the students to start the career under the aegis of **Phoenix Udyog Pvt Ltd**.

The MoU is the pre-eminent event for debuting revolutionary steps taken by the Training and Placement Cell on the way of generation and fulfilment of the problem of Unemployment.

This MoU Will opens a gateway of Opportunity to the student's of Engineering and Polytechnic to get them self employed on the very 1st Day after completing their Courses/ Degree.

About Universal Group of Institutions

Universal Group of Institutions (UGI) is headed by a body of academicians and set up by Universal Educational Society to provide world class quality education to the students. The institutions comprising Universal Group are duly approved by AICTE (New Delhi), and Punjab Govt. The institutions are affiliated to Punjab Technical University (Jalandhar), Punjabi University (Patiala), Punjab State Board of Education & Industrial Training (PSBTE & IT) Chandigarh. **UGI got ISO Certification in the very first year of its inspection.** UGI endeavours to plan several programs that will support education, social development & empowerment to communities in North India Region. Our efforts are aimed at higher benchmarks and process of refinement towards “Creating a thankful professional”.

We look forward to our students for their continued support in our journey for a vision to create “An institute with a difference”. In a short span of time Universal Group of Institutions has achieved impressive milestone that are worth noting. **UGI emphatically states, “Academic excellence is a direct result of serious commitment to uncompromising quality”.** Adding a new professional college year one year, UGI scaled to new heights purely based on collective efforts and team work.
