Information Brochure

**North India's BEST Institution
for PROFESSIONAL EDUCATION**

Universal Group of Institutions is headed by a body of academicians and set up by Universal educational society to provide world class quality education to students. It has been conceptualized by a great visionary, chairman, Dr. Gurpreet Singh. The Institutions are duly approved by AICTE, New delhi, and punjab govt. The Institutions are affiliated to Punjab Technical University, Jalandhar, Punjabi University, Patiala and Punjab State Board of Technical Education & Industrial training (PSBTE & IT), Chandigarh. UGI got ISO quality certification in the very first year of its inception. UGI endeavors to plan several programs that will support education, social development & empowerment to communities in the North Indian region. Our efforts are aimed at higher benchmarks and process or refinement towards," Creating a thinking Professional".

We look forward to our students for their continued support in our journey forward with a vision to create "An institution with a difference". In a short span of time, UGI has achieved many impressive milestones that are worth noting. UGI emphatically states, "Academic excellence is a direct result of serious commitment to uncompromising quality". Adding a new professional college year on year, UGI scaled to new height purely based on collective efforts and teamwork.

Our Vision

"To provide education that transforms ideas into actions, opportunities into global advantage, capabilities into successful career and dreams into realities"

Our Mission

"UGI focuses to commit itself, for delivering the best possible educational experience and learning opportunities to assert the standard and to fulfill future goals."

Centre of Excellence

IIPC was established with the objective to reduce the gap between industry expectations and academic offerings by direct involvement of industry. We believe that quality human resource is the biggest asset of any industry and is the major source of development of any economy. Thus we endeavour to train our nation builders i.e. youth in the way the industry demands so that they are readily equipped by the industry. In this domain the strength of the institution lies in its qualified and experienced faculty, well equipped workshops and state of art infrastructure.

Creative Ideas & Innovations

Placements @ UGI

Setting a New Touchstone in Quality Placements

Universal Group of Institutions has been continuously striving for getting its students placed in the top national and multi-national companies. It has emerged as a real hub of excellent placements in the northern region.

Along with various educational tie-ups, UGI invites various companies from diverse industries for placements of its graduates and post-graduates.

Placement Cell: The Training & Placement Cell is dedicatedly engaged in providing employment opportunities and world class training to the students and prepares them for leading organisations. The cell is equipped with ample infrastructure in terms of Testing Halls, Consultancy Hall for Pre Placement Talks, Presentations etc. The Training & Placement Cell firmly believes in "Industry-Institute Interaction". In order to accomplish "Industry Institute Interaction", It organizes technical talks and national seminars to provide platform for the budding engineers to interact with professionals from various industries
