UNIVERSAL
GROUP OF INSTITUTIONS

PROSPECTUS

Universal Group of Institutions is headed by a body of academicians and set up by Universal Educational Society to provide world class quality education to students. It has been conceptualized by a great visionary, Chairman, Dr. Gurpreet Singh. The Institutions comprising Universal Group are duly approved by AICTE, New Delhi, and Punjab Government. The Institutions are Affiliated to Punjab Technical University, Jalandhar, Punjabi University, Patiala and Punjab State Board of Technical Education & Industrial Training (PSBTE & IT), Chandigarh, Punjab Nurses Registration Council, National Council of Teacher Education, Bar Council of India, Pharmacy Council of India and Central Council of Indian Medicine. UGI got ISO quality certification in the very first year of its inception. UGI endeavors to plan several programs that will support education, social development & empowerment to communities in the North Indian region. Our efforts are aimed at higher benchmarks and process of refinement towards “Creating a thinking Professional”.

We look forward to our students for their continued support in our journey forward with a vision to create “An institute with a difference”. In a short span of time, UGI has achieved many impressive milestones that are worth noting. Adding a new professional college year on year, UGI scaled to new heights purely based on collective efforts and teamwork.

UGI emphatically states,

“Academic excellence is a direct result of serious commitment to uncompromising quality”.

CHAIRMAN'S MESSAGE

In the emerging highly competitive world, there is obvious need to produce dynamic minds that can adapt to the changing scenario and complex situations and are innovative enough to face the diverse challenges effectively. Universal Group of Institutions is truly emerging as the nurturing ground for leadership. It is becoming synonymous with practical, industry focused education and is attracting students from across the globe. Since the mission of the Group is to impart quality education, it constantly strives to attract good faculty, good students, provides good infrastructure and purposeful supportive environment in its Institutions. There can be no half measures when it comes to quality. We spare no effort to inculcate the quality philosophy into our people. Because, while it is our people who make a difference and it is quality that gives an edge. With the students, fired with determination to excel, a competent and dedicated faculty, meticulously designed curriculum and the optimum infrastructure, the Universal Group of Institutions has grown to be a reckoning force in the world of education.

I warmly welcome the aspiring students to the UGI fraternity. I hope you have a tremendous learning and joyful time at UGI.

Dr. Gurpreet Singh
Chairman, Universal Group of Institutions

Education is not preparation for life,
Education is life itself.

John Dewey

CENTRE OF EXCELLENCE

GOOGLE

Universal Group of Institutions has tie up with "Searce" to provide G-suit Training and agree to participate in case study related to Google apps service usage. It provides educators the tool they need to effectively train students on google apps technology.

MICROSOFT IMAGINE ACADEMY

Microsoft has signed a MoU with Universal Group of Institutions (UGI) for Microsoft Imagine Academy program. It is designed for accredited academic institutions worldwide. The Program prepare students for the global economy, and create skilled community. It helps to train students on Microsoft technologies.

GODREJ

Universal Group of Institutions (UGI) has tied up with Godrej to open a workshop for B.Tech and Diploma (Mechanical and Electrical engineering) students. The workshop makes students professionally trained in the field of refrigeration and air conditioning.

AUTODESK DESIGN AND ENGINEERING CLUB

Universal Group established authorized Autodesk Design and Engineering Club. Autodesk, Inc. is an American multinational software corporation that focuses on 3D design software for use in the architecture, engineering, construction, manufacturing, media and entertainment industries.

INDUSTRY INSTITUTE PARTNERSHIP CELL

IIPC was established with the objective to reduce the gap between industry expectations and academic offerings by direct involvement of industry. We believe that quality human resource is the biggest asset of any industry and is the major source of development of any economy. In this domain the strength of the institution lies in its qualified and experienced faculty, well equipped workshops and state of art

ENTREPRENEURSHIP DEVELOPMENT CELL

The Innovation and Entrepreneurship Development Cell (IEDC) is being promoted to develop institutional mechanism to create entrepreneural culture and to foster techno-entrepreneurship for generation of wealth and employment. UGI organizes Entrepreneurship Awareness Camps, Entrepreneurship Development Programmes and Skill Development Programmes in the college for the benefit of students.

TALLY

Universal Group of Institutions (UGI) has tied up with Tally Solutions Private Limited to help educators professionally trained in Tally ERP9 Multiuser Software. Tally education programs are designed to facilitate learning in a seamless manner and provide course completion Certificate.

ACADEMY OF PERFORMING ARTS

Universal Group has established Academy of Performing Arts for providing conducive and stress free study environment to the students. The reviews show that activities like aerobics, dance, music, acting etc. helps in developing creative thinking skills as well as helps in learning the value of discipline, commitment and work ethics. Self-confidence develops as young people overcome challenges to master new goals, learning to apply themselves and accomplish any task put before them.

UNIVERSAL INSTITUTE OF ENGINEERING & TECHNOLOGY (UIET)

Universal Institute of Engineering & Technology (UIET) is established in 2009 approved by AICTE and affiliated to Punjab Technical University, Jalandhar. UIET is equipped with the state-of-the art facilities to impart desired level of knowledge and technical skills for helping students to innovate, create, and formulate products and processes for the future industries. With the establishment of Universal Group of Institutions, UIET became one of its constituent institutions and is now on its way to achieve higher benchmarks in Engineering Education. UIET has highly qualified faculty, well equipped laboratories and acoustically designed class rooms which help in making learning pleasure. The track record of the UIET, judged by the employment potential of our students and remarkable achievements of illustrious alumni, by any stands, is excellent. UIET is providing Under-Graduate and Post-Graduate courses of Engineering.

Vibrant Campus

INFRASTRUCTURE

LECTURE HALLS

Institution has ergonomically and acoustically designed lecture halls that reinforce a student-centered style of instruction. The Institution provides adequate number of well designed smart classrooms. The classrooms are equipped with multimedia and audio-visual equipment to facilitate effective learning. They are designed to promote maximum interaction between the faculty and the students.

COMMUNICATION LABORATORY

The Institution has a communication skills laboratory equipped with software from Globerna Technologies which provides the students with training through group discussions, interview skills, verbal ability, comprehension skills and responding skills as well. Aiming at infusing a flair for better spoken skills & leadership qualities in its students, the institution holds sessions to help them fit well in the vacancies available for graduated in various fields. We are also the member of British Library.

CONFERENCE ROOM & SEMINAR HALL

Conference Room & Seminar Hall are aesthetically well designed and equipped with audio visual aids such as computer, LCD projector and public address system for conducting seminars and conferences.

TRANSPORTATION

Fleet of buses maintained for conveyance from Chandigarh, Panchkula, Mohali, Patiala, Ambala and other important towns.

HOSTELS - HOME AWAY FROM HOME

Excellent hostels with the best possible facilities are available for boys and girls separately as per the following details :

- Well-furnished rooms
- Clean homely environment
- Indoor & Outdoor games facilities
- Fresh Hygienic Food
- Common room for students

LIBRARY

The Institution has a well equipped library which caters the needs of students and teachers. Besides course related books, the library also stocks general and technical books. The library also includes large number of national and international periodicals. The library resource center is fully automated and for this we have specialized user-friendly library software. The library has adopted latest information technologies like CD, DVD, Multimedia Kits, Bar-code Scanners, Text and Graphic Scanners.

OPEN AIR THEATRE

There is an open air theatre for Cultural activities, Annual Functions, Youth Festivals and other programs in which group gathering may be required. The open-air theatre has the capacity to accommodate around more than 500 students comfortably at a time. The facility of Open Air Theatre is utilised by the college widely to meet their requirements for their functions.

ATM

Vijya Bank ATM machine is available on campus to avail banking facilities. Students can open an account with zero balance.
